A number of approaches to course assessment are used by BCTA. Assessment approaches may be undertaken by practical demonstrations, case studies, projects, assignments, presentations, role plays, written tests and exams.

Plagiarism

Acts of plagiarism, collusion and cheating are not permitted in any work completed for assessment and will result in a written warning and repeating the VET unit of competency, as well as incurring any associated charges. If a student is caught engaging in these acts a second time, they may be suspended or expelled from the course. All works submitted must be competent.

All students undertaking vocational education and training must hold a Unique Student Identifier (USI) and provide it to BCTA during the enrolment process. Recognition of Prior Learning (RPL)

Students who believe they already have some of the competencies in the course they wish to study may apply for Recognition of Prior Learning (RPL). An essential requirement of RPL is proof of competency. This may involve providing copies of your resume and/or work performance appraisals, job position descriptions, and any certificates of informal or formal training. You may be asked for
