

Complaints and Appeals Policy & Procedure

Policy

This policy/procedure supports BCTA to provide a process for complaints and appeals to be heard and actioned. This includes any allegations involving the conduct of

- the BCTA, its trainers, assessors or other staff.
- a third-party providing services on the BCTA's behalf, its trainers, assessors or other staff; or
- a learner of the BCTA

All complaints and appeals received by Building and Construction Training Australia (BCTA) will be viewed as an opportunity for improvement.

Despite all efforts of Building and Construction Training Australia (BCTA) to provide satisfactory services to its students and clients, complaints may occasionally arise that require formal resolution. The following procedures provide students and clients the opportunity to have any issues relating to a substantiated complaint or appeal resolved and resolutions reached that attempt to satisfy all parties involved. This complaints and appeals process will be at no cost to the student or client (unless referred to a third party; see procedure for more details).

Procedure

The complaints and appeals policy and procedure and applicable form is made available to all students, potential students, and clients by directly contacting BCTA, through the BCTA's website, and within the student information handbook.

General Complaints

Where possible all non-formal attempts shall be made to resolve the issue. This may include advice, discussions, and general mediation in relation to the issue and the complainant's issue. Any staff member can be involved in this informal process to resolve issues but once a complainant has placed a formal complaint / appeal the following procedures must be followed:

- Any student, potential student, or third party may submit a formal complaint to Building and Construction Training Australia (BCTA) with the reasonable expectation that all complaints will be treated with integrity and privacy. There is no cost for accessing the internal complaints and appeals process.
- Complainants have the right to access advice and support from independent external agencies / persons at any point of the complaint and appeals process. Use of external services will be at the complainant's costs unless authorised by the CEO.
- Any person wishing to submit a formal complaint or appeal can do so by completing the 'Complaints and Appeals Form' and state their case providing as many details as possible. This form can be gained by contacting Student Administration at BCTA.
- All formally submitted complaints or appeals are submitted to the Student Administration. Complaints are to include the following information:
 - Submission date of complaint
 - Name of complainant;
 - Nature of complaint;

- Date of the event which lead to the complaint
- Attachments (if applicable)
- Once a formal complaint is received it is to be entered into the 'Complaints and Appeals Register' which is monitored by the CEO regularly. The information to be contained and updated within the register is as follows:
 - Submission date of complaint
 - Name of complainant
 - Description of complaint / appeal
 - Determined Resolution
 - Date of Resolution
- A complainant may be assisted or accompanied by a support person regardless of the nature of the issue or complaint throughout the process at all times.
- The Administration Officer shall then refer the matter to the appropriate staff to resolve or make a decision on the complaint within 10 working days and keep the complainant informed of any decisions or outcomes concluded, or processes in place to deal with the complaint. In the unlikely event that the complaint is not finalised within 60 calendar days, BCTA shall ensure that the complainant shall be provided reasons for the delay, and will be regularly kept informed and updated of the progress of the matter.
- Once a decision has been reached the Administration Officer shall be required to inform all parties involved of any decisions or outcomes that are concluded in writing. Within the notification of the outcome of the formal complaint the complainant shall also be notified that they have the right of appeal. To appeal a decision BCTA must receive, in writing, grounds of the appeal. Complainants are referred to the appeals procedure.
- The Administration Officer shall ensure that BCTA will act immediately on any substantiated complaint. If the internal or any external complaint handling or appeal process results in a decision that supports the complainant, the registered provider must immediately implement any decision and/or corrective and preventative action that is required and advise the complainant of the outcome.
- Copies of all documentation, outcomes and further action required will be placed into the 'Complaints and Appeals Register' by Student Administration and on the student's file / complainants file.
